The image shows a screenshot of an "Operator Login" interface. At the top left, there is a red circular logo with a white icon inside, followed by the text "Operator Login". Below this, there are two main authentication options. On the left, under the heading "Operator Aadhaar" (with a small icon of a grid), there is a text input field containing the number "358767071650" and a green checkmark icon to its right. On the right, under the heading "Biometric Authentication" (with a small icon of a fingerprint), there is a rectangular area showing a fingerprint being scanned. A large white arrow with a green outline points from the fingerprint area towards the right. On the right side of the interface, there are two buttons: a yellow button labeled "Reset" and a green button labeled "Login".
